### The Club:

LCMTC is open to new members. We meet at 7:00 p.m. the first Tuesday of each month at 455 Thain Rd. Lewiston, ID. We attend and participate in Train Shows and Model Railroad Swap Meets around the Pacific Northwest. The clubhouse is usually open from 10 a.m. till 4 p.m. Saturday unless we are taking the N-Scale layout to a community event (see upcoming events ).

The Lewis-Clark Train Club as of October of 2011 is a 100% NMRA member train club within the 5th Division of the Pacific Northwest Region of the National Model Railroad Association.

Our Membership consists of Operators, Builders, Kit bashers, Amateur Historians and Collectors of Railroad Memorabilia and Model Railroading. In short, we are just your typical bunch of harmless train nuts having fun.

### Value Membership:

NMRA membership is a requirement. It can be "Rail Pass" for the first 6 months, which costs \$9.95. After that, a regular NMRA Annual Membership starting at \$44. (NMRA prices subject to change.)

Dues are as follows: First 6 months: \$10/month then \$25/month. No voting rights at business meetings, and no keys to the club house. Full access and use of layouts are only available when a Full Member is at the clubhouse. Upgrade to full membership at your discretion.
